BOARD OF STUDIES MINUTES OF MEETING

The Board of Studies meeting was conducted on 23.04.2016

The following suggestions given by the Board members

Regulation 2015

1. The Board members recommended removing the subject "Principles of Communication from the III semester Curriculum as it is less relevant to the Computer Science Engineering
2. The Board members recommended changing the Internal & External marks ratio from 40/60 to 50/50
3. The members of the board recommended shifting the Operating Systems theory from IV semester to III semester.
4. The members of the board insisted to shift System Software Subject from V semester to IV semester and System Software lab has to be removed in V semester Curriculum.
5. The Board members recommended introducing the subject of Compiler design & Compiler design lab in semester VI instead of VII semester.
6. It has been suggested that the content refinement of the subject should be carried out every year based on the feedback.
7. They advised to restrict the number of Text books to 2.
8. They suggested that the Course outcome should be based on Bloom's Taxonomy.
9. They insisted to check the Credit Points.

Regulation 2016

1. The Board members recommended to replace Cloud Computing subject with Advanced Operating System in I semester.
